

Building Update on CICA

Recent Construction done by CREM on the CICA school project over the holidays. Addition of room and doors.

Much more work still to be done. But in faith Jesus Christ and with prayers, CREM continues to grow both in its quality and quantity of services. CREM “shows the love of Jesus Christ” with the specific emphasis in the education area with CICA.

We continue to congratulate and pray for Senior Pastor Cesar Egarguin, the Registrar Pastora Alma Egarguin, the CICA School Board, CICA teachers, donors, and the friends and volunteers in Assembly of God Tandag Church, Philippines as well as Church of God of Prophecy, Eastern Canada.
